

# CARDS PILE CALCULATIONS

**COUNTRY:** Spain

**Players:** two teams

**Materials:** a template with two rectangles for piles of number cards and one square for a pile of symbol cards.

## Instructions

- 1) Divide the players into two teams and line up next to the board game.
- 2) The first person in each team turns a number card each and the symbol card.
- 3) The first person to say the result wins one point and both players go to the end of their team's line.
- 4) The process is repeated.
- 5) The first team to get ten points wins.
